

**New Hospital Extension - Kitchens, Bathrooms and Showers,  
Airedale Hospital extension, North Yorkshire**

The Airedale Hospital now benefits from our 10mm pvc Thermopanels as specified in the bathroom and shower areas.

The main kitchen has the benefit of our 3mm Foodsafe Thermopanels all line formed to plasterboard and new block walls. A 600 x 600 suspended class O Thermopanel ceiling systems complete the hygiene areas.
