

**CAN
ALSO BE
USED ON
WALLS!**

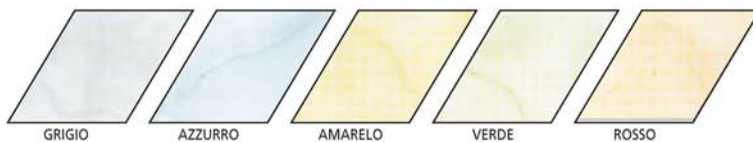

**Stripclad and
Sturdyclad panels
are easy to install.**

They may be cut to size,
screwed, nailed or glued to any
wall or ceiling. A fine-tooth saw is
recommended for cutting panels to size.

Extra insulation may be installed between
wall or ceiling battens.

The finishing profiles are available in a range of decorative finishes and detailed assembly instructions are enclosed in every pack. Clean with normal (non-abrasive) products and a soft cloth.

**Available in a range
of shades, including
white, the Stripclad and
Sturdyclad panel system
is both highly decorative
and easy to install.**

OTHER FINISHES ARE ALSO AVAILABLE - PLEASE CONTACT US FOR FULL DETAILS
