

WELCOME TO HYGENIC (CLAD & CLEAN)

Geoff and Trish would like to thank all our customers and suppliers over the past year for their much valued support.

The past 18 Months in particular has been a “busy time” for ourselves and others involved in the rebranding of the old “Safeway” Stores

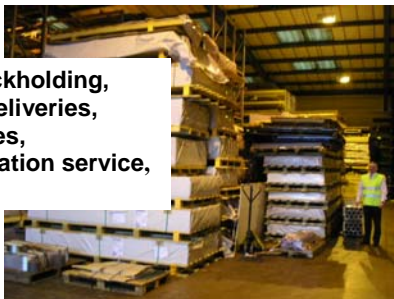

We are proud to be part of the team behind the scenes upgrading the hygiene areas for both **Morrisons** and **Asda** Superstores.....

Our DIY sales and site support across the Mainland and Northern Ireland has also proved a great success and again is a unique benefit to our clients.

Our website is still letting people know ‘who’s who’ in the industry and the varied range of industries we operate in. News, prices and info downloads available....

*Our unique class O foodsafe wall panel brochure and newsletter is now available.

**Extra stockholding,
24 hour deliveries,
Trade sales,
UK installation service,**

Walter

Businesses are about people. Without the support of you, our clients and suppliers, we wouldn't have a business to discuss. Our promise to you is to continue our 'second to none customer service' (for which we are all proud) and to continue giving value for money long into the future.
